Dear Mr. Peterson:

As we have discussed, the Environmental Protection Agency (EPA) is planning an investigation of the Pasco Sanitary Landfill, Pasco, Washington. Enclosed is a draft workplan for your review. I look forward to hearing your comments by telephone by May 2. If necessary, we will meet on the afternoon of May 3, 1985, to discuss DOE's concerns. We are looking for DOE input on technical issues as well as your ideas for community relations.

May 8th is the tentative date for meetings with county officials in Pasco. I hope you will be able to attend these meetings. I will provide the final schedule for these meetings as soon as possible.

Thank you for your help on this project.

Sincerely,

Lori Cohen
